NOTES:

*If there is a tie for a record, the list is sorted alphabetically (it does not take into account who defeated who)

*Points are assigned as twenty (20) points per win and ten (10) points per tie. These points are combined with team's total score at Central League Champs to determine overall final standings for the season.

*Standings are computed using only meets which have been officially submitted; if results were not properly reported, the outcome of that meet will not be reflected in the standings.
